

WEBVTT

1

00:00:00.000 --> 00:00:11.580

Carrington Moore: There maybe about two or three minutes regarding how we can approach with a particular type of spiritual disposition and that's pretty much it.

2

00:00:12.389 --> 00:00:20.520

Carrington Moore: It's all open up the space for anyone who wants to speak life into the dreams or their desires, they have any prayer requests that we're going to pray over that and

3

00:00:21.150 --> 00:00:29.040

Carrington Moore: That will be the Bible study our last Bible study for for the year really will be us affirming 2021 and really kind of Affirming our dreams.

4

00:00:29.310 --> 00:00:40.440

Carrington Moore: And we're going to end in prayer. We can be done, literally by 715 so but if you all want to preach a sermon, if you all want to conversation. And, you know, execute the text we can do that too. But we don't have to

5

00:00:42.420 --> 00:00:45.060

Cassie Quinlan: We don't have to dash, maybe some other people are coming

6

00:00:46.920 --> 00:00:48.180

Carrington Moore: Yeah, for sure.

7

00:00:48.510 --> 00:00:48.750

Carrington Moore: So,

8

00:00:48.990 --> 00:01:00.000

Carrington Moore: Let us pray. Let us open up in prayer first with us. Thanks to Carol Colton Thomas, who has opened up this space. Every week format for us since the start of the pandemic since March 2003 four. So we want to say

9

00:01:00.750 --> 00:01:05.430

Carrington Moore: Thank you to her for this entire year for blessing

us so we can put in the chat and just, you know,

10

00:01:05.460 --> 00:01:06.870

Carrington Moore: Pitch THEY HAVE THE OTHER THING. THANK YOU.

11

00:01:06.990 --> 00:01:08.280

Carrington Moore: Thank you so much.

12

00:01:08.340 --> 00:01:18.390

Carrington Moore: My pleasure. For all of us really really appreciate you making time for us to be able to do Bible study and grow in Scripture and growing community. So thank you again.

13

00:01:18.660 --> 00:01:19.770

Carrington Moore: Thank you. Let's pray.

14

00:01:20.760 --> 00:01:21.510

Carrington Moore: Let's pray.

15

00:01:22.770 --> 00:01:35.940

Carrington Moore: To the God who is still in control, even though 2020 has not gone as planned. God, you still are in control or that we don't even understand all the things that's going on in the world, but God

16

00:01:36.540 --> 00:01:39.450

Carrington Moore: Nothing has changed in terms of you being in control.

17

00:01:40.050 --> 00:01:49.470

Carrington Moore: But not only are you a control God you live inside of us. The Scripture says greater is the one that lives in us than the one that lives in the world. Lord God so

18

00:01:49.770 --> 00:01:57.900

Carrington Moore: That means that Lord gotten Midst of chaos in the midst of certainty uncertainty log out. We can have certainty, Lord God that you love us that she

19

00:01:58.050 --> 00:01:59.700

Carrington Moore: Is that bless us to give us a

20

00:01:59.700 --> 00:02:09.570

Carrington Moore: Hope in the Lord God so as we're looking into our future as you're looking in 2021 we're going to spend this time just Affirming our dreams want to spend this time.

21

00:02:10.260 --> 00:02:17.010

Carrington Moore: Our blessing. What is to come. Oh god. So you want to spend this time, even just saying thank you well God if I think he was simply rooted

22

00:02:17.400 --> 00:02:30.000

Carrington Moore: In the fact that we're still alive, girl. We say thank you. If I thank you, simple rooted and that we have a roof over our head got me say thank you and I think it was simply rooted in the fact that we still have food more data table god we say thank you.

23

00:02:30.420 --> 00:02:43.530

Carrington Moore: For all that you've done. God I pray that you bless this brief but important Bible study. I pray that you'd be with us now that we do and say, help us to make meaning of this moment. This we pray in the name of Jesus Christ, the reserve one our Lord and Savior. Let everyone say Amen.

24

00:02:43.920 --> 00:02:44.430

Amen.

25

00:02:45.750 --> 00:02:46.020

Carole Copeland Thomas: Amen.

26

00:02:46.110 --> 00:02:57.720

Carrington Moore: So the opening question is very simple. It was partly in the email that I shared earlier today. And the question is simply this. One of the dreams, right.

27

00:02:58.530 --> 00:03:07.320

Carrington Moore: That have been ruminating that have been moving inside of you that you really want to share in a firm for 2021 I'll let anybody

28

00:03:07.860 --> 00:03:19.830

Carrington Moore: Share. I think about a minute, I'll give you about a minute to kind of really share and decree and declare what it is that you want to see happen and 2021 so anyone can share or you can if you want to you can put it in the chat as well.

29

00:03:30.780 --> 00:03:31.740

Carole Copeland Thomas: I'll start.

30

00:03:34.740 --> 00:03:37.590

Carole Copeland Thomas: My key word is pivot that

31

00:03:40.200 --> 00:03:46.170

Carole Copeland Thomas: has taught me the necessity in pivoting, and I don't

32

00:03:47.550 --> 00:03:58.500

Carole Copeland Thomas: At no time this year. I don't know why, but I because maybe in previous times I probably would have. I didn't ever panic about my income.

33

00:04:01.170 --> 00:04:13.890

Carole Copeland Thomas: My future this year is there was just a spirit over me. That just said you don't control this. You have no control over this. So don't freak out.

34

00:04:14.400 --> 00:04:21.450

Carole Copeland Thomas: You just have to you have to roll with the punches and I'm saying that, honestly, because that's the way I felt

35

00:04:22.320 --> 00:04:34.680

Carole Copeland Thomas: When Sunday, March was that march 15 was our last Sunday at Bethel and it said well you know how to use zoom you've been using it for many years, offer your services.

36

00:04:35.040 --> 00:04:44.190

Carole Copeland Thomas: And and ultimately you're going to take your whole business that way. So it was like it was the Word and the importance of pivoting

37

00:04:44.790 --> 00:04:45.600

Carole Copeland Thomas: Helped

38

00:04:45.990 --> 00:04:51.570

Carole Copeland Thomas: To navigate my day to day existence that's been in this House since March.

39

00:04:53.040 --> 00:04:58.500

Carole Copeland Thomas: Know there's some things I've wanted to do that. I haven't done certainly within the house but

40

00:04:59.820 --> 00:05:07.590

Carole Copeland Thomas: From a business point of view. I'm grateful. I'm grateful when I look at boarded up businesses and people who are literally

41

00:05:07.920 --> 00:05:26.100

Carole Copeland Thomas: ruined because of what has happened and some of my friends who are in the travel and tourism industry who are ruined. They just, they have to literally start all over again or retire or just do something very different because this is not going to let up anytime soon. So

42

00:05:27.960 --> 00:05:35.700

Carole Copeland Thomas: Pivoting and and listening to how to move forward has been my sustaining grace.

43

00:05:38.100 --> 00:05:49.260

Carrington Moore: Amen sister, Carol. Thank you for that. Does anybody want to build up on that. I have a couple of words behind that, that, but does anybody want to build on what sister Carol share in terms of what is your hopes and your dreams for 2021

44

00:05:57.570 --> 00:06:00.240

Marie Doubleday: Okay, I'll talk if you want me to

45

00:06:01.680 --> 00:06:04.890

Marie Doubleday: Meet mean obviously the end to Kovac but

46

00:06:06.600 --> 00:06:29.490

Marie Doubleday: One of the things is and more with younger adults that have gotten professional degrees and I'm going to be extremely

Frank is you get to know me wherever I put the cards on the table. But typically, the younger African American professionals that have gotten master's degrees.

47

00:06:31.080 --> 00:06:38.490

Marie Doubleday: Student loan. Something has to be done with the student loan for it and it is off.

48

00:06:40.650 --> 00:06:42.480

Marie Doubleday: Okay, I'm

49

00:06:43.860 --> 00:06:49.470

Marie Doubleday: Not my son, my son's an attorney, he would be better off collecting rubbish.

50

00:06:51.210 --> 00:06:53.430

Marie Doubleday: I'm just saying. It's just not him.

51

00:06:54.480 --> 00:07:01.920

Marie Doubleday: Alright, so the student loans, something's going on with you know i think i think a lot of the kids get it. They're not kids you guys on kids anymore.

52

00:07:02.280 --> 00:07:16.170

Marie Doubleday: Get through the bachelor is pretty much. Okay. But once you hit the graduate school program itself. Oh, whole different ballgame. So that's one thing and I'm

53

00:07:18.000 --> 00:07:31.170

Marie Doubleday: The businesses in particularly black businesses, you know, support them up. If somebody has a birthday, go buy gift card at something support them, you know, I support businesses that a user friendly.

54

00:07:32.310 --> 00:07:35.430

I'll keep my mouth shut. All right, thank you for letting me speak.

55

00:07:37.560 --> 00:07:40.230

Carrington Moore: Amen. Thanks so much to double day. Thank you so much to Carol.

56

00:07:41.280 --> 00:07:51.660

Carrington Moore: Sister Carol said. It's important to pivot pivot our individual businesses to pivot, even our church, the way in which we share the gospel of Jesus. One of the things that Jesus said,

57

00:07:52.770 --> 00:07:58.620

Carrington Moore: In the scripture texts. He always talks about going out and compelling them to keep the compelling people to come in and so

58

00:07:59.040 --> 00:08:06.000

Carrington Moore: There's a level of pivot that even ministries have had to do in order to share the gospel, Jesus diaster

59

00:08:06.510 --> 00:08:19.770

Carrington Moore: Double day sharing around 2021 and terms of policies going to think about what is, what is it that we need to do in order to ensure that we can live in the Beloved Community and part of that is talking about student debt.

60

00:08:20.040 --> 00:08:27.420

Carrington Moore: And in order to attain the positions of power or the positions that you want to in order to do the vocational

61

00:08:27.840 --> 00:08:32.760

Carrington Moore: Calling that God has called you to. You shouldn't have to take out a half million dollars in debt to do it.

62

00:08:33.630 --> 00:08:43.770

Carrington Moore: So, so in many ways. We know that debt has become a barrier to people being able to maximize that potential and really pursue what it is that they believe that got my coffin to

63

00:08:44.400 --> 00:08:53.370

Carrington Moore: So that policy suggestion, that's to double day a shared is a part of that. And so thank you for that. Anyone else want to share what is the hope.

64

00:08:54.090 --> 00:09:09.150

Carrington Moore: It can be a communal hope or individual hope or what is it, what is the dream that you have for 2021 will take about one or

two more. And we're going to put up for request in the chat with him out loud, we're gonna we're gonna pray over each other workloads that way everyone else.

65

00:09:13.770 --> 00:09:14.670

Cassie Quinlan: In mind. Okay.

66

00:09:17.220 --> 00:09:20.250

Cassie Quinlan: Waited like I could waiting as I'm frankly, but I can't wait.

67

00:09:23.130 --> 00:09:28.320

Cassie Quinlan: For me, it's been a very interesting year because the New Year focus and before this year.

68

00:09:29.550 --> 00:09:36.270

Cassie Quinlan: You know, I was pretty caught up the only kind of work I did I call myself an under earner

69

00:09:37.110 --> 00:09:47.610

Cassie Quinlan: Because I did work that I felt like I could do it. I didn't want to work with professionals in health care, but I want to work closer to people directly. So that was old people.

70

00:09:48.360 --> 00:10:07.860

Cassie Quinlan: I raised my brother who had brain injury. I am and I have two tenants. But I'm very cross culturally traveled and all these kinds of it you know insights about communication about trauma, substance abuse, different young, as I say, different cultures cross race not using any of that.

71

00:10:09.300 --> 00:10:27.000

Cassie Quinlan: And so this particular year was my year to just be home and just stay centered and do everything that I could do to find out, you know, stopping a caregiver stopping a landlady now by now, I'm broke. So I'm asking the bucket at the end of the show but but but just that.

72

00:10:28.860 --> 00:10:40.230

Cassie Quinlan: You know that it was really a time for me to do to sit with what I had. I'm furious at the my condo mates. On the other side, but I discovered that I love my backyard anyway.

73

00:10:41.280 --> 00:10:47.310

Cassie Quinlan: You know, so it was kind of for me. I'd say maybe focus trust, try to reach out

74

00:10:48.540 --> 00:11:04.890

Cassie Quinlan: And just stop and breathe like brother Wyatt showed us and listen. So there you go. And so in an office. I have a bunch of words but i'm pleased with this year and next year. I'm going to try to do some work and in one of the fields that I care about.

75

00:11:06.270 --> 00:11:06.690

Cassie Quinlan: Thank you.

76

00:11:08.370 --> 00:11:15.630

Carrington Moore: Amen. Thank you so much to Cassie, for sharing that you've just been the year of focus and for many of us being able to focus

77

00:11:16.350 --> 00:11:27.120

Carrington Moore: On what it is that we've been called to do or are we focusing our attention on things that we've been wanting to do for years. And so I'm going to bring that same focus that same 2021 anyone else.

78

00:11:28.860 --> 00:11:30.930

Marilyn Anderson Chase: This is this is Marilyn Chase.

79

00:11:32.400 --> 00:11:35.790

Marilyn Anderson Chase: 2020 I think was a year of heightened awareness.

80

00:11:37.500 --> 00:11:50.040

Marilyn Anderson Chase: Where we became much more of our and our need to be connected to one another. We became much more aware of the people around us, because we couldn't have them around. If

81

00:11:54.360 --> 00:11:55.110

Marilyn Anderson Chase: I'm

82

00:11:58.200 --> 00:12:02.700

Marilyn Anderson Chase: Tied into awareness and sensitivity around the challenge faced with

83

00:12:03.720 --> 00:12:08.460

Marilyn Anderson Chase: The rise of the, the Black Lives Matter movement.

84

00:12:11.070 --> 00:12:24.030

Marilyn Anderson Chase: And I think as I look forward to 2021 I hope that some of that a lot. We move forward into concrete action that is not sufficient to

85

00:12:25.470 --> 00:12:27.420

Marilyn Anderson Chase: rally on the streets.

86

00:12:28.680 --> 00:12:33.090

Marilyn Anderson Chase: I hope that that rallying and coming together results in

87

00:12:36.000 --> 00:12:37.800

Marilyn Anderson Chase: At a at a, at a very

88

00:12:41.550 --> 00:12:42.090

Marilyn Anderson Chase: First

89

00:12:51.030 --> 00:12:52.890

Marilyn Anderson Chase: Solution and

90

00:12:53.910 --> 00:13:11.400

Marilyn Anderson Chase: practices across our quote, and I hope that it results in people being much more aware and did their own be a nurse and the need to to change.

91

00:13:12.480 --> 00:13:14.340

Marilyn Anderson Chase: Their behaviors is a really

92

00:13:16.710 --> 00:13:17.400

Marilyn Anderson Chase: Good very

93

00:13:23.910 --> 00:13:38.280

Carrington Moore: Amen sister. Mariela I think I was able to catch. I think most of what you share. I appreciate all that you share. I just want to briefly recap the importance of what you share oftentimes we think about the church as a place for inspiration.

94

00:13:39.330 --> 00:13:40.170

Carrington Moore: But I reminded

95

00:13:41.760 --> 00:13:51.210

Carrington Moore: That the church is also the place to push legislation. Want to make sure that we don't. There's been already article, a lot of articles and even people. So there's some books.

96

00:13:51.810 --> 00:14:01.560

Carrington Moore: That are beginning to emerge around making sure we don't waste this moment right now. Not sure what your political affiliation might be. I'm not sure where you might be in terms of

97

00:14:01.890 --> 00:14:11.100

Carrington Moore: The progressive or liberal conservative but we do know, in the midst of a pandemic, we should be able to ensure that millions of people who don't have health care have adequate health care that's

98

00:14:11.400 --> 00:14:21.600

Carrington Moore: Right and being able to push that to legislation which we just saw the battling and our state legislator around what it means for us to have police reform.

99

00:14:22.380 --> 00:14:30.750

Carrington Moore: We know now, more than ever, it should be easier to push police reform of steel, we see the halls of power, not wanting to change the status quo.

100

00:14:30.960 --> 00:14:32.130

Cassie Quinlan: Me. One more day

101

00:14:32.130 --> 00:14:33.630

Carrington Moore: Sure that our source of inspiration.

102

00:14:34.440 --> 00:14:36.960

Cassie Quinlan: I'm sorry, but one more day on guys, please.

103

00:14:38.850 --> 00:14:40.230

Carrington Moore: Sorry. Sorry, I'm not sure.

104

00:14:40.800 --> 00:14:45.420

Cassie Quinlan: Why they don't vote it tomorrow. It's all over. And they got to start from scratch next year.

105

00:14:47.190 --> 00:14:47.340

Cassie Quinlan: I'm

106

00:14:48.210 --> 00:14:50.910

Carrington Moore: Trying to pass braylon we'll get to that. But let me finish my

107

00:14:50.940 --> 00:14:52.050

Court real Quicks to cast

108

00:14:54.990 --> 00:14:57.510

Carrington Moore: It's all good. Got the Holy Ghost and happens sometimes. But I get it.

109

00:14:58.200 --> 00:15:03.570

Carrington Moore: In many ways, we were we were to make sure we want to make sure that our inspiration. It doesn't just

110

00:15:03.840 --> 00:15:12.840

Carrington Moore: Feel good and we marched, you can say, hey, I remember when I marched back at 2020 right we want. We don't want to enter their. We want to make sure to the mountains port.

111

00:15:13.350 --> 00:15:21.630

Carrington Moore: Point that our moments of inspiration that we stick with it that at least the actual change and legislation and that's what God has called us to

112

00:15:22.230 --> 00:15:29.790

Carrington Moore: Amen. Amen. Anyone else anyone else before we move to our communal prayer. Anyone else I want to share a one or two quick words with you.

113

00:15:30.060 --> 00:15:40.320

Carrington Moore: And then we're going to kind of move over to prayer. I do want to make sure we answer to Kathy's question and we'll have pastor Ray kind of chime in on that he's a little bit more well versed in police reform in this moment that I am

114

00:15:41.850 --> 00:15:43.380

Carrington Moore: But everyone else wants to share

115

00:15:44.790 --> 00:15:47.370

Carrington Moore: What are your hopes and your dream for 2021

116

00:15:53.160 --> 00:15:56.910

Tracie Ellison: Hi everybody. Happy end of 2020

117

00:15:59.130 --> 00:16:03.330

Tracie Ellison: I know for me, like my hopes and dreams are

118

00:16:04.500 --> 00:16:11.160

Tracie Ellison: One. I just hope to get like IN A PLACE WHERE I'M A LITTLE MORE FINANCIALLY like comfortable

119

00:16:11.700 --> 00:16:23.640

Tracie Ellison: Because my mind. I had to move us a lot of, you know, like some months ago and the place that we move to the rent is higher, which would have been a k i guess if I hadn't lost some income due to coven

120

00:16:24.060 --> 00:16:33.510

Tracie Ellison: So my job, end up cutting like some of the overtime, or actually froze all of my overtime that I was getting so I lost about like \$8,000 on my salary.

121

00:16:34.080 --> 00:16:41.730

Tracie Ellison: And we had to furnish our apartment from scratch, because we just had a lot of old stuff and just things we couldn't bring in here.

122

00:16:42.180 --> 00:16:48.810

Tracie Ellison: Lots of reasons. So I'd like to get to a place where I was more financially comfortable because I feel like

123

00:16:49.440 --> 00:16:57.720

Tracie Ellison: Oh no, I'm trying to trust God more about that. Like he takes care of all of our needs all of my needs, everything, but just, you know,

124

00:16:58.710 --> 00:17:04.500

Tracie Ellison: A place where it's like not watching my account all the time now, and I know once we probably finished furnishing

125

00:17:05.040 --> 00:17:14.250

Tracie Ellison: Which were like 90% done furnishing the place I will have to keep an eye on it, but so that's kind of like one of my things and then like just mental clarity from my mother.

126

00:17:15.060 --> 00:17:29.520

Tracie Ellison: She's older and she's had cancer before so I don't know if it's age, combined with previous chemo or just aging, but she seems to be having some mental confusion lately that I've noticed. So

127

00:17:31.110 --> 00:17:44.400

Tracie Ellison: I just pray that you know she gets to a place where you know God can do anything. And I'm a believer of that. So I don't think because of her age, something can happen. I think all the time. If you're open and you're willing things can happen. So

128

00:17:46.050 --> 00:17:51.810

Tracie Ellison: And I also like to find, like, you know, or at least be going into the road of finding a mate or something.

129

00:17:53.310 --> 00:17:55.800

Tracie Ellison: But I or something but finding like a mate, maybe

130

00:17:59.460 --> 00:18:06.870

Carrington Moore: A man. Those are all wonderful things that our soul desires and our souls deserve. So thank you for sharing this to Tracy one

131

00:18:07.530 --> 00:18:15.480

Carrington Moore: We are praying for blessing of God continue to come to you overtake you with praying and make sure we put this in the chat as well that we're creating for your mother.

132

00:18:15.840 --> 00:18:24.990

Carrington Moore: And this moment, we're also praying for love this important we all want to, you know, one of the things I love about you know Jesus is that Jesus enjoy perfect intimacy.

133

00:18:25.890 --> 00:18:39.300

Carrington Moore: With the Trinity. And so even Jesus is surrounded by got Miss to the Father and the Son, and the Holy Spirit in the same way if we desire to be romantically engaged.

134

00:18:39.780 --> 00:18:49.560

Carrington Moore: We do. It's important that we even pray for that we seek after that we'd be intentional in that. So that is our prayer for many of us in this moment. Anyone else want to share

135

00:18:57.630 --> 00:19:08.070

Carrington Moore: Amen. Well, let me leave this last word for you for 2021 is not deep with it's not long. It actually comes over to songs. I've been listening to that. Don't, don't.

136

00:19:09.630 --> 00:19:14.610

Carrington Moore: Don't, don't tell anybody needs a secular song. So we're going to go from the secular to the sacred here.

137

00:19:15.150 --> 00:19:23.520

Carrington Moore: But there were two songs that popped in my mind. The last two days. Very interesting songs. I'm not telling you to look them up because I don't want you to backslide

138

00:19:24.060 --> 00:19:30.450

Carrington Moore: But the one song that was a really interesting. I believe it's by a group called I might be saying this wrong, snap.

139

00:19:30.780 --> 00:19:37.140

Carrington Moore: I believe this was called song called I've got the

power. You guys have a song like I've got the power and by most are our

140

00:19:37.530 --> 00:19:42.960

Carrington Moore: It used to be, I think, an intro song to some type of TV show, but for whatever reason I'm not lying to you.

141

00:19:43.260 --> 00:19:49.980

Carrington Moore: The other day yesterday morning that song popped into my mind that song was way before my time so mother came out, I was two or three years old.

142

00:19:50.700 --> 00:19:59.850

Carrington Moore: For whatever reason, that song popped into my spirit. I couldn't stop singing it. That'd be good. I like to spirits lads everything but you know one of the things I was thinking about

143

00:20:00.270 --> 00:20:04.320

Carrington Moore: When I was singing the song. I've got the power. So think about Jesus.

144

00:20:04.830 --> 00:20:10.140

Carrington Moore: That's our thinking about Jesus, sharing to his disciples. And Jesus said, one last thing. Jesus said to his disciples

145

00:20:10.350 --> 00:20:23.850

Carrington Moore: He said, greater works. You shall do the nine Jesus leave there with a comforter to let them know that the powers have not, it's not gone. Just because Jesus resurrected to heaven, but the power is living inside of us. And although I'm not a secular song.

146

00:20:24.630 --> 00:20:27.660

Carrington Moore: I want you all to know that in 2021 that you've got the power

147

00:20:27.930 --> 00:20:36.090

Carrington Moore: One of the things that's really important for us to know that wouldn't be very honest with you know black folks, we love. We love Jesus. I feel like what anybody. We are some of the most devote people

148

00:20:36.270 --> 00:20:49.050

Carrington Moore: Some more safe. Safe decided to have the Holy Ghost folks in the world. So the problem I'm being very honest with you. The problem is it that we don't love Jesus. The problem sometimes that we don't love ourselves enough and we don't understand that the

149

00:20:50.130 --> 00:21:04.140

Carrington Moore: The beauty that live inside of us the power that lives inside of us. So I want us to know that in 2021 that would get the power of the other song. Don't be mad and y'all don't listen to the song because if you listen to you might backslash backslash. It was a song.

150

00:21:05.730 --> 00:21:16.890

Carrington Moore: I believe it came out in the, in the late 1990s and the song. It goes like, even though I might be on TV because I got Mon CD. There ain't no change in me.

151

00:21:17.700 --> 00:21:30.540

Carrington Moore: I can only be me, me, me. That's a song don't know if you all don't sing that in choir rehearsal don't sing that to your children. It's a song by a young man named genuine genuine is an r&b artists. So you don't want the thing him. Somebody does

152

00:21:30.960 --> 00:21:42.300

Carrington Moore: Our job backslide somebody just left the call, because we all came out here sick is genuine and sure that's not what I'm trying to do what I'm trying to suggest you actually look to the lyrics. One of the things that he said

153

00:21:43.230 --> 00:21:55.410

Carrington Moore: One of the things that he says in the lyrics is that I can only be me off to the Holy Ghost right now. He says, even though it might be on TV because I got my own city there's no changing me, I can only be me and the blessing of 2021

154

00:21:55.650 --> 00:21:57.990

Carrington Moore: Is. Here's the thing. You can be nobody else

155

00:21:58.620 --> 00:22:08.820

Carrington Moore: Literally, some of us have been wasting time trying to pursue our dreams, aspirations, in the form of somebody else's mantle and the form of somebody else's ministry.

156

00:22:08.940 --> 00:22:21.060

Carrington Moore: You've been trying to talk like somebody else you've been trying to walk like somebody else you've been trying to imitate somebody else. But when you try to be everybody that yourself. Here's the thing, but let it, you will never maximize the potential and the power

157

00:22:21.570 --> 00:22:28.560

Carrington Moore: That lives inside of you so genuine let's just know I'm a move from the, from the secular and sacred that a 2021

158

00:22:29.400 --> 00:22:36.960

Carrington Moore: Simply, be yourself. Love yourself well be kind to yourself so graciousness to yourself. And in doing that.

159

00:22:37.410 --> 00:22:43.290

Carrington Moore: You are allowing the Holy Spirit to flow through you. So in 2021 I want you to realize, two things. One,

160

00:22:43.680 --> 00:22:52.650

Carrington Moore: That you've got the power. Some that reminds them of that that secular song. That's beautiful. He lets us or she, whoever the group is lets us know that you've got the power in to

161

00:22:53.370 --> 00:23:07.800

Carrington Moore: Only be yourself. It's all right, to try to you know imitate people who have done well and that might be mentors to you. But at the end of the day, your ministry has to be your ministries your location has to be a vocation. And so Jesus lean on the Scripture because I'm

162

00:23:10.530 --> 00:23:16.560

Carrington Moore: Talking about snap and genuine lower kind of bubbles to make sure the pastor, he lets me do Bible study in

163

00:23:16.560 --> 00:23:22.410

Cassie Quinlan: 2025 Bible study.

164

00:23:24.420 --> 00:23:24.720

Carrington Moore: Shows

165

00:23:26.100 --> 00:23:36.870

Carrington Moore: But a Bolivian one scripture. This has been the Scripture that's blessed us and you through over the last two weeks. Let's Philippines for 13 pastor, Ray. He knows description. Now it goes back to I can do all things.

166

00:23:38.250 --> 00:23:46.590

Carrington Moore: Through Christ who gives us strength, no matter what it might be in 2020 now what we've gone through. We've been through, and

167

00:23:47.940 --> 00:23:49.350

Carrington Moore: You can do. I mean, you can

168

00:23:51.360 --> 00:23:57.690

Carrington Moore: Do Christ gives us strength, our own own traditions Christianity in some ways of beat us up so bad.

169

00:23:58.050 --> 00:24:11.190

Carrington Moore: This reminded us that we're no good or bad, but I want to submit to you that there's more beauty in you, then, ugly, right, there's there's more goodness and you than badness right there's more healing and you then brokenness and so in 2021

170

00:24:13.080 --> 00:24:14.370

Carrington Moore: You can do all things.

171

00:24:15.480 --> 00:24:29.070

Carrington Moore: Through Christ who gives you strength. This is the word of God for the people of God. Thanks be to God. Let's move into prayer 7.9 I want to let you all go and get back to your festivities move into the new year. I want you all to do this from your quick. I want you to pray.

172

00:24:35.370 --> 00:24:41.130

Carrington Moore: Chat. Or you can say it out loud. We're going to take three people, three of us are gonna we have three people to close.

173

00:24:41.490 --> 00:24:51.540

Carrington Moore: Us in prayer as we move into 2021 I want to let us know that we also have service tomorrow. We'll make sure the pastor Ray has time to share with that might be on tomorrow, whatever your prayer might be

174

00:24:52.320 --> 00:25:05.190

Carrington Moore: Whatever, it's been on your heart wants you to put that in the chat right now and three of us are going to pray over the prayers 11 sales community will give you about 30 seconds to do that if you want to unmute yourself and share with your prayers, you can do that as well.

175

00:25:14.790 --> 00:25:16.710

Dee Peters: My prayer is the faith.

176

00:25:18.150 --> 00:25:28.200

Dee Peters: I'm asking God to give me stronger faith. My faith gets weak. I asked him the building up so that I can have faith.

177

00:25:29.400 --> 00:25:34.140

Dee Peters: More faith, that is what I asked for and I pray for

178

00:25:35.400 --> 00:25:44.340

Carrington Moore: A man, a man, he replied. Before more faith. Amen. That's good. Anybody else put your put your prayer in the chest. I see a person Tracy. I like that.

179

00:25:47.580 --> 00:25:48.090

Carrington Moore: A man.

180

00:25:49.590 --> 00:25:51.060

Carrington Moore: A man anyone else.

181

00:25:57.750 --> 00:26:04.620

Carrington Moore: Amen. Put your predecessor before family or friends to be for healing of your body, whatever it might be. Put your prayer in the chat.

182

00:26:06.840 --> 00:26:07.440

Carrington Moore: A man.

183

00:26:09.450 --> 00:26:09.960

Amen.

184

00:26:13.530 --> 00:26:14.040

Amen.

185

00:26:15.120 --> 00:26:15.870

Carrington Moore: We're gonna do

186

00:26:17.070 --> 00:26:18.750

Carrington Moore: This moment, I'm going to ask

187

00:26:20.790 --> 00:26:31.920

Carrington Moore: One last two people who volunteer to pray over the prayer requests. You don't get to see a long prayer, you'll get to pray for it down from heaven, but your own way, you can pray for what's in the chat. I don't want to

188

00:26:32.220 --> 00:26:41.010

Carrington Moore: You know, it doesn't have to be over you know out eloquent doesn't have to just whatever is on your heart. I want you to pray for what's on the chat. Pray for the things that people

189

00:26:41.700 --> 00:26:53.640

Carrington Moore: Can I have to keep all start us off and then you to finish and then we'll have final words, the pastor right method would have passed away half final words before we move into prayer we do that faster, where you will have final word, sir.

190

00:26:54.210 --> 00:27:01.500

Ray Hammond: Sure. Well, this is our last Bible study in 2020 and

191

00:27:02.910 --> 00:27:06.780

Ray Hammond: really grateful for a number of things, one of which has been

192

00:27:08.490 --> 00:27:11.550

Ray Hammond: The tremendous job that Pastor Kerry.

193

00:27:12.990 --> 00:27:15.720

Ray Hammond: We started the year, you'd asked about the possibility of

194

00:27:16.860 --> 00:27:19.890

Ray Hammond: Coming in to the Bible study. It's just been

195

00:27:20.940 --> 00:27:31.740

Ray Hammond: really wonderful. Excellent. I think the the attendance and people support AND feedback and solid really just one witness to that. And so I'm really grateful for that and

196

00:27:33.300 --> 00:27:44.340

Ray Hammond: Then in March, we discovered that you could have Bible study in some ways you hadn't imagined and you better be able to imagine because you weren't going to get together any place physically to do it.

197

00:27:45.840 --> 00:27:47.370

Ray Hammond: And again, I want to just thank

198

00:27:49.740 --> 00:28:09.390

Ray Hammond: Pastor Carrington for facilitating that and Robin. Robin system sister Carol Copeland Thomas in really helping us figure out how to make these these transitions. This Bible study for my church school classes, along with sister Karen skip with

199

00:28:11.040 --> 00:28:17.070

Ray Hammond: And we discovered again that we didn't lose people we actually gain people

200

00:28:19.020 --> 00:28:39.690

Ray Hammond: And it's just a reminder to us over and over again that sometimes in the places and spaces where others see what we often call stumbling blocks guys really trying to put a stepping stone in front of. And if we just have eyes to see the possibilities.

201

00:28:41.100 --> 00:28:52.320

Ray Hammond: So I'm really grateful for the way in which this study has really grown the subjects. We've had a chance to talk about and grapple with both from a Biblical

202

00:28:53.340 --> 00:28:55.200

Ray Hammond: And a contemporary vantage point

203

00:28:56.310 --> 00:29:01.800

Ray Hammond: issues around health and mental health issues around justice.

204

00:29:03.180 --> 00:29:15.600

Ray Hammond: And how we work our way through the current moment. And so I'm really, really thankful for the way in which the study has gone over the past year and really excited about what will be the case in 2021

205

00:29:16.650 --> 00:29:22.230

Ray Hammond: And as all of us to really to really be thinking about that because I think

206

00:29:24.030 --> 00:29:35.580

Ray Hammond: I hope, as we all look back over, we could not only see what what is there to be seen losses, the pain, the suffering.

207

00:29:37.440 --> 00:29:37.980

Ray Hammond: The

208

00:29:39.750 --> 00:29:44.340

Ray Hammond: Awful consequences of the head leadership.

209

00:29:45.960 --> 00:29:51.060

Ray Hammond: Corruption in competence, you name it, we could go down and down the list.

210

00:29:52.290 --> 00:29:53.550

Ray Hammond: The painful.

211

00:29:54.750 --> 00:29:57.750

Ray Hammond: Reality of the injustices in an equity.

212

00:29:59.040 --> 00:30:22.320

Ray Hammond: But I pray that we also remember that we saw changes this year that might not have otherwise taken place. We saw truth that we

might not have otherwise had revealed. We took steps and may progress that we might not have otherwise been motivated to do

213

00:30:23.850 --> 00:30:25.710

Ray Hammond: And the question I think as we go into

214

00:30:26.760 --> 00:30:35.700

Ray Hammond: Is what else is God trying to show us and how do we keep growing in that and learning from that.

215

00:30:36.480 --> 00:30:37.380

How do we keep

216

00:30:38.520 --> 00:30:46.050

Ray Hammond: telling ourselves and reminding ourselves that in the middle of all the things that human beings mess up.

217

00:30:46.980 --> 00:30:59.280

Ray Hammond: And in the midst of all the things that our spiritual adversary comes to destroy the hand of God is working to bring about miracles and possibilities for those who have eyes to see

218

00:31:00.300 --> 00:31:12.060

Ray Hammond: So in the year to come. What is it that God wants us to see and keep building on what are the possibilities that are there for us. What did we learn about ourselves.

219

00:31:12.630 --> 00:31:28.740

Ray Hammond: What did we learn about our own resilience. What did we learn in a in a year that had four crises, any one of which would have made 2020 and historic year so my my my

220

00:31:29.910 --> 00:31:31.800

Ray Hammond: challenge to all of us is

221

00:31:33.180 --> 00:31:44.220

Ray Hammond: As past caring and said let's be ourselves and let's understand the gifts. The strengths, the faith.

222

00:31:44.790 --> 00:32:02.970

Ray Hammond: The possibilities that God's revealed to us about ourselves and the people around us and this world in which we are apart as we think about where we're going in this year to come. So, God bless you. Looking forward to growing with you and seeing what God is going to do.

223

00:32:05.100 --> 00:32:05.550

Carrington Moore: Amen.

224

00:32:05.580 --> 00:32:10.260

Carole Copeland Thomas: Pastor Hammond I'm, can you answer the question that sister Cassie.

225

00:32:10.290 --> 00:32:20.910

Ray Hammond: As I'm sorry. I didn't mean to respond to that. Yeah, to the best of my knowledge, it's still on the governor's desk. He's got a sign it and I just actually went online to check that.

226

00:32:22.770 --> 00:32:28.860

Ray Hammond: If he and he's indicated, he's going to assign it. I'm not quite sure why it hasn't been signed. He said, It hasn't been listed

227

00:32:29.100 --> 00:32:44.160

Ray Hammond: The last I heard was that the plan was for him to sign it privately, there was some question about whether it would be something socially distance ceremony, apparently. Now, I think the decision is he's going to sign a privately and then it will it will be celebrated later one

228

00:32:48.900 --> 00:32:49.320

Carrington Moore: Amen.

229

00:32:50.790 --> 00:32:51.240

Amen.

230

00:32:52.410 --> 00:33:01.500

Carrington Moore: So we want to move into we'll move into prayer, there's two people who feel led to pray over the prayer requests that are in the chat.

231

00:33:02.610 --> 00:33:04.860

Carrington Moore: We will do that to volunteers.

232

00:33:15.540 --> 00:33:32.010

Susan Paul: I will have my friend of Bethel. I'm Christine. Christine rose like she invites me to participate. And one of the things I did was I completed a group on teach me how to pray so like I feel that I will if I'm. Welcome. I'm willing to pray.

233

00:33:32.610 --> 00:33:33.060

Yes.

234

00:33:36.300 --> 00:33:40.770

Ray Hammond: Never invite anybody from praying. Just because you're not a member of Bethel, that's for sure.

235

00:33:41.640 --> 00:33:42.090

So,

236

00:33:43.230 --> 00:33:43.800

Susan Paul: Thank you.

237

00:33:44.220 --> 00:33:46.800

Carrington Moore: Anybody else want to pray with anybody else like to pray.

238

00:33:50.580 --> 00:33:58.080

Dee Peters: Um, I don't mind, I'm deep Peters I'm cousin to your past, though.

239

00:34:00.660 --> 00:34:06.330

Dee Peters: I don't want to disturb anything because I'm from Philly. I'm not you know from your own town.

240

00:34:06.870 --> 00:34:09.270

Carrington Moore: So good, no chemical free to

241

00:34:12.270 --> 00:34:21.570

Carrington Moore: Sunday. We're happy to have you pray with us this way we will do it will have Susan, you will pray. First, if you can't

as much as you can, you can refer to the chat.

242

00:34:22.110 --> 00:34:33.450

Carrington Moore: There's any prayer requests that you see in the chat. If you want to acknowledge, please do that after that study, you will go and then I will actually I'll ask pastor, Ray. That's right. You can close out in prayer. That'll be great. All right, Pastor, a

243

275

00:40:31.440 --> 00:40:44.490

Ray Hammond: We can make our way through a global pandemic avoiding sickness all together or experiencing the miracle of recovery we can. Oh god.

276

00:40:46.170 --> 00:40:57.570

Ray Hammond: Move forward in a season in which justice and the nation has to face. It's bloody terrible history of race.

277

00:40:58.590 --> 00:41:11.010

Ray Hammond: And pain and discrimination and injustice, we can press our way through that and more we can even get through the craziest presidential election we have ever seen.

Ray Hammond: Because by grace. We've discovered he really can do all things through you as you give us strength.

00:41:32.520 --> 00:41:51.930

Ray Hammond: For the doors of employment and provision that you open for so many. I want to thank you God and believe you in advance for the equitable and wide and efficient distribution of this covert vaccine in spite of all of the human limitations. We've already seen on full display.

285

00:42:12.090 --> 00:42:25.950

Ray Hammond: We don't want to fall down. We don't want to miss the opportunity that you're creating as we stand on the shoulders of those who have come before us and unfortunate a pathway through the blood of

the slaughter.

286

00:42:27.060 --> 00:42:37.260

Ray Hammond: And we are grateful for all that you are doing to make that progress possible God we want to bless you in advance for

287

00:42:38.460 --> 00:42:50.790

Ray Hammond: For what we have learned through these times, even the hard conversations that we've had and our confidence that those conversations will help healing and truth to come about.

288

00:42:51.420 --> 00:42:59.430

Ray Hammond: We're believing for the reopening of the doors of your churches, but we are praying, God that we would not return

289

00:43:00.330 --> 00:43:08.520

Ray Hammond: Thinking that we can be the same church because we've discovered God there is a world of people in that virtual realm.

290

00:43:09.090 --> 00:43:19.530

Ray Hammond: We have an obligation. When you said go into all the world in this century. That includes reaching out by every means available to us.

291

00:43:20.370 --> 00:43:34.020

Ray Hammond: We want to thank you God for the leadership of pastor Carrington, we want to thank you God for the more time that we've had with you this year than we've had in many, many years.

292

00:43:34.560 --> 00:43:47.100

Ray Hammond: We want to bless you for the recognition of our need for rest and for our learning God how to not let even crises overwhelm us

293

00:43:47.670 --> 00:43:59.640

Ray Hammond: We're praying, God for couples waiting on God to produce children on those God we're believing you to help them find life mates and life partners.

294

00:44:00.180 --> 00:44:10.200

Ray Hammond: We believe in you. God for a greater increase in our study of the word in 2021 and more power and favor in 2021

295

00:44:11.160 --> 00:44:24.180

Ray Hammond: And Lord through all of this, our ears are open to hear what the Spirit of God is saying, so that we don't miss where you're trying to go and what you're trying to do in us and through us.

296

00:44:24.660 --> 00:44:43.500

Ray Hammond: For our families for our communities for your kingdom and Lord for ourselves. So in all of this guy. We just want to give you thanks and praise in the Mighty and the matchless name of Jesus. Amen.

297

00:44:46.650 --> 00:44:47.190

Carole Copeland Thomas: Amen.

298

00:44:47.460 --> 00:44:49.200

Ray Hammond: Could I also mention I forgot to

299

00:44:49.200 --> 00:45:00.570

Ray Hammond: Say earlier, indeed, we do have watch night service tomorrow. In fact, from 1045 to 11 you can join us for a memorial service and it's an opportunity for us.

300

00:45:01.080 --> 00:45:13.260

Ray Hammond: To both acknowledge our grief, but also as we light candles of remembrance to lift up the names of those who we lost this past year and

301

00:45:14.070 --> 00:45:31.680

Ray Hammond: To thank God for what they've meant to our lives of the blessing that they've been to our lives and to speak their names as we move from this year to the next. And then at 11 o'clock, we'll start our watch night service with which will have both testimony and praise and worship and

302

00:45:33.180 --> 00:45:49.080

Ray Hammond: Short word and then prayer to bring the New Year in and then afterwards, for those who want there'll be a time also just fellowship and zoom as we bring the new year, man. So, God bless you and please join us. You have to register if you just go to the it does anyone who's

303

00:45:50.130 --> 00:45:57.270

Ray Hammond: Who doesn't have it, I'm gonna see if I can get it and put it in the chat. But it's definitely on the listserv. And it's on our website as well.

304

00:45:58.680 --> 00:45:59.070

Dee Peters: And

305

00:46:00.900 --> 00:46:07.710

Ray Hammond: Then, for reminding us that we are the body of Christ. We're definitely any church but more important with the body of Christ.

306

00:46:08.070 --> 00:46:08.550

Ray Hammond: And we're so

307

00:46:08.580 --> 00:46:10.620

Ray Hammond: grateful to have D and Susan with us.

308

00:46:10.860 --> 00:46:21.480

Dee Peters: Now I enjoyed it. I would just like to say that Ray told me about this in October, and I would like to thank pastor

309

00:46:22.680 --> 00:46:28.530

Dee Peters: Carrington. I mean, he just awesome because he keeps me up on everything.

310

00:46:31.170 --> 00:46:35.640

Dee Peters: So I'm just letting you know pastor Hammond know you doing a good job.

311

00:46:36.870 --> 00:46:37.140

Dee Peters: I

312

00:46:37.830 --> 00:46:39.510

Dee Peters: hate that. So thank you.

313

00:46:40.350 --> 00:46:41.250
